Please observe the following so that we can continue
to enjoy our racetrack

- Please DO NOT come to our facility if you (or someone in your household) does not feel well
- NO SPECTATORS UNTIL FURTHER NOTICE: Racers and crew members only
- space out pit parking - leave at least 6' in between pit spaces
- avoid groups - keep socially distant
 - avoid hugs, handshakes and other methods of contact
- If you are in an area where a line forms (office window, tower, concession, restroom) please leave 6' between you and others
- wear a face mask if you are indoors or within 6 feet of others
- use hand sanitizer/wash your hands frequently
- WE will do our part to keep our facility clean and safe but we need your cooperation
 - all common areas, restrooms, etc will be cleaned frequently
 - Please dispose of your trash properly

See Sharon to join points tonight or
for any corrections
